

POSITION TITLE: Equipment Installer
(Bargaining Unit) **PCN:** 041009

RESPONSIBILITIES: Install, test, and repair patrol equipment, in vehicles, trailers and specialized vehicles (e.g. light bar with all associated lighting, sirens, and other emergency equipment). Install accessory equipment (e.g. alarms, Bluetooth devices, GPS systems, and other accessories). Perform fabrication work to meet driver and safety specifications. Perform new car preparation (i.e. inspect for defects, enter data in agency computer systems and install necessary items to ready vehicles for service). Process vehicles for retirement, inspect and complete necessary paperwork. Assist in vehicle transportation (e.g. pickup and transport vehicles to dealers, subcontractors, body shops, etc.). Enter information into computerized database and maintain accurate records of supplies, parts, and work completed along with time associated with repairs.

MINIMUM QUALIFICATIONS: High School diploma or GED, supplemented by vocational/technical training in automotive electrical systems and three (3) years' experience in automotive electrical and repair; or any equivalent combination of training and experience. Must have proficient computer skills. Must possess and maintain valid driver's license.

DEADLINE TO APPLY: Monday, May 9, 2016
